

Vaccine Consumer Protection Bill Activism Guide HB20-1239

Please complete the following items:

Today:

- ✓ Sign and share this [petition](#) on social media, as much as you can. This is a request to Madame Speaker Becker to give the Vaccine Consumer Protection Bill a fair hearing, in the Public Health Care & Human Services Committee. We need as many signatures as possible, as quickly as possible.
- ✓ Like and follow our [Facebook](#) page and your email inbox. We will provide timely updates regarding the status of the bill and provide action items you can take to support this bill. Add hello@medicalautonomy.co to your contact list to avoid missing critical updates.
- ✓ Read the Vaccine Consumer Protection Bill HB20-1239 [Fast Fact Guide](#) for a simple overview of how this bill will protect all of Colorado's families.

Ongoing, starting immediately:

- ✓ **Write, email, and call** legislators and tell them how this bill will support all Coloradans, *especially* those who choose to vaccinate their children. **This is not an anti-vax bill!** Focus on the members of the Health and Insurance Committee. See the [Activist Committee Guide](#) checklist for specific action items.

* Let them know how this will support and promote the Democratic Party's commitment to Consumer Protection. Here is a [directory](#) of every legislator in Colorado, with their email address and phone number.

Be sure to keep emailing and calling throughout the life of the bill.

In the next 3-5 days:

- ✓ Read the Vaccine Consumer Protection Bill HB20-1239 in its entirety with a pen and highlighter in hand. Mark it up and highlight the parts that you think are the most important.
- ✓ Start working on your testimony. Prepare 2-3 minutes, be sure to speak to the bill.
